A for Frdel in N.E.
Monthly Meeting
Births & Deaths
1870 — 1911
NEW ENGLAND YEARLY
MEETING OF FRIENDS

This book, Vital Records of R.I. Monthly Meeting 1870 – was kept at the home of Isaac Macomber of Portsmouth R.I.

His daughter, Gertrude Hammond apparently not recognizing its import gave it to Robert Cool in 1959 who was acting as minister to Smithfield Monthly Meeting at Woonsocket Meeting House. He did not recognize its importance either, so the book was used as a "visitors book" for a time.

It was reported to N. E. Yearly Meeting's Custodian of Archives in 1969 and relinquished by Woonsocket Friends to be put with the records at John Carter Brown Library in November 1969

Andrews, Marcus				

Younger More Pessimistic

Significantly, younger adults, 21-29, are more inclined to take a pessimistic view than older persons. Fewer Catholics than Protestants think religion is losing its influence, but a marked change among Catholics during the last two years has been recorded.

The following table compares the latest views with those recorded ten years ago. Interestingly, the change since 1957 in the proportion who say "losing" is virtually the same for all major groups.

Per Cent Saying Religion Is "Losing" Its Influence

	1957	*1967*
National	14%	57%
Men	17	59
Women	12	55
21-29 years	20	63
30-49 years	13	57
50 & over	10	53
College	17	60
High School	12	59
Grade School	18	52
Protestant	17	60
Catholic	7	48

28. " " Members Teaching, Joanna & M. A. Huffman 2
29. Are Particular and Monthly Meeting Records each correct to date?
30. Has each Resident Household been furnished with Minutes?

Yes, all who have wished them

NOTICE.—To be sure that no mistakes occur in this report, observe the following.

1. See that No. 1. is correct as it was reported last year. If a mistake in last year's figures has been discovered since then, call it "additions by mistake last year," or "loss by mistake last year," as the case may be, and add or subtract, as may be required to make No. 14 on this report exactly correct; then write a brief note of explanation on the report.

2. The addition of Nos. 2, 3, 4 and 5 will give No. 6; and of 7. 8, 9, 10, 11 and 12 will give No. 13.

3. If No. 6 be larger than No. 13, subtract No. 13 from No. 6 to obtain No. 15; but if No. 13 be larger, subtract No. 6 from No. 13 to obtain No. 16. Of course only one of the numbers 15 and 16 will have figures. If there be a "net gain," and add No. 15 to No 1 to obtain No. 14. If there be a "net loss," subtract No. 16 from No. 1 to obtain No. 14.

4. See that No. 14 is the same as the sum of 18 and 19; of 20 and 21 and of 24 and 25.

5. See that the sum of Nos. 22 and 23 is the same as No. 21.

6. Prove that your figures are all correct.

7. Keep your records corrected up to date, and these may be obtained from them easily. Good records make easy reports.

8. Keep on hands a copy of this report for future reference.

Have all figures checked 2 mo 28 05

These blanks are prepared to meet the needs of all the yearly meetings associated in the Five Years Meeting. Such items as are not inquired for by any particular yearly meeting can be left blank.

☞ When filling out blank for a particular meeting draw the pen through "Monthly" and when filled out for monthly meeting cross out "Particular." When blank is filled out for particular meeting it should be sent to the clerk of the monthly meeting, and when filled out for monthly meeting it should be sent to the clerk of the Quarterly Meeting.
